Pre-Comp Technique Classes

We are offering classes to 6-10 year olds who are interested in improving their dance skills and/or are interested in becoming a part of a pre-comp class. The dancers will work on improving their technique in ballet, tap, and jazz. These classes do not guarantee a spot in a pre-comp or competition line, but will help dancers improve overall.

WHAT IS PRE-COMP?

Pre-comp and competition classes generally have class each week for 1 hour and 15 minutes or 1 hour and 30 minutes. These classes will have 2-3 costumes and will perform 2 dances in 1 or 2 competitions each spring. There are some extra fees involved with these classes, such as extra practices, jewelry, hair pieces, etc.

Wild Wednesday

This is a fun day for dancers to come and learn a variety of different styles of dance. They will start with a warm-up and then move on to learning a musical theatre, lyrical, and hip-hop combination. This is great for dancers who don't have tap shoes, but would still like to come and try out some different styles of dance.
